Description

Following the bestselling *The Kaiju Preservation Society*, John Scalzi returns with *Starter Villain*, another unique sci-fi caper set in the strangest of all worlds, present-day Earth. Inheriting your mysterious uncle's supervillain business is more complicated than you

might imagine. Sure, there are the things you'd expect. The undersea volcano lairs. The minions. The plots to take over the world. The international networks of rivals who want you dead. Much harder to get used to... are the sentient, language-using, computer-savvy cats. And the fact that in the overall organization, they're management...
